JESSICA McCORMACK

The Summer Society

Welcome to JMc Summer 2026, where our latest collection, Medallions, takes centre stage.

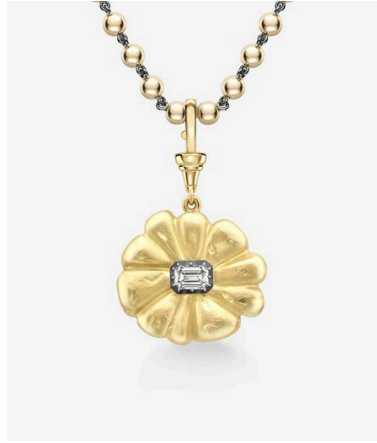

Bold gold pendants and Lapis Long Guard necklaces, designed to complement you from sunrise to sundown, are perfect for summer dressing - whether at the beach or out to dinner.

With detachable clasps, the Medallions pendants can be paired with a Ball n Chain or Beaches Pearl necklace, and effortlessly styled alongside a signature Gypset for a striking, summery look.
